Invitation

You are invited to participate in the 54th Croatian & 14th International Symposium on Agriculture with an oral communication, poster presentation, presentation of your institution/company or as a participant.

The main goal of the Symposium is to present to the agronomists and the general public the results of scientific and professional work of Croatian and international specialists and in this way enable a better transfer of scientific and professional achievements into agricultural production. We also wish to establish better collaboration between scientists from the universities, research institutions and specialists from industry, trade and other related activities, that is, producers from Croatia, Europe and the rest of the World in their common field of interest in science and good agricultural practice.

Preliminary program

In addition to the plenary lectures, the Symposium is organized in following sections (themes):

Day - date	Program
Sunday 17 February 2019	Registration of participants
Monday 18 February 2019	Registration of participants Opening ceremony Plenary lectures Round table
Tuesday 19 February 2019	Sections
Wednesday 20 February 2019	Sections Official gala dinner
Thursday 21 February 2019	Sections
Friday 22 February 2019	Departure

Papers not covered directly by the listed sections and addressed to the agriculture (plant protection, agricultural engineering and technology, food safety, etc.) will be assigned to the most related theme according to the paper topic. New sections will be formed according to the topics of submitted papers, providing at least twenty papers are submitted. Poster presentations will be organized within each section.

Official languages

The official languages of the Symposium are Croatian and English. Simultaneous translation will be provided for plenary presentations. Participants with oral presentations in Croatian language must have Power Point presentation in English language. Presentations in the sections will be assorted according to the language of presentation.

Registration

Please complete online form (<https://goo.gl/forms/oEP88L2EMay9c3J43>) by September 20, 2018. If your registration is duly completed, you will receive automatic registration confirmation.

Instruction to authors

Authors may submit only an abstract/summary or a complete paper (including abstract) not exceeding 5 pages. Scientific communications will be included in the electronic record (CD) of Book of Abstracts (for authors who choose not to have complete papers published) and in the Proceedings which have ISBN and CIP. All abstracts and papers will be quoted in CAB database.

Submission of an article implies that the work described has not been published previously.

Publication of abstracts in the Book of Abstracts enables subsequent publication of presented papers in a thematic issue of *Agriculturae Conspectus Scientificus* (<http://acs.agr.hr>) or in other journals.

Please send contributions electronically to the e-mail address: sa@agr.hr by October 29, 2018 at the latest. Section moderators reserve the right to select oral communications.

Posters should be sized 700 × 1000 mm (width × height), A0 format.

Contributions with a positive review will be published in the Book of Abstracts or in the Proceedings if the registration fee is paid (per paper) by January 15, 2019.

Registration fee entitles only the author in whose name it has been paid to participate at the Symposium.

Please note that the authors submitting more than one contribution should pay fees according to the number of contributions.

Instructions for preparation of abstracts

Authors submitting only abstracts

Authors are kindly asked to observe the following technical instructions:

Abstracts in Croatian and English should be written in Microsoft Word for Windows, version 6.0 or higher, font Times New Roman, size 12 points. Use single spacing with justified alignment. Abstracts should contain the aim of the paper, essential research results and a brief conclusion. If only abstracts are submitted, the authors are advised not to make them too short (1500 characters, including spaces) or too general. Not more than five keywords should be given, separated by commas.

- Margins: 3.0 cm left, 2.5 cm top, bottom and right.
- Titles should be written in lowercase and bolded, size 14 points, left alignment. The title should be brief and precise, not more than 100 characters without spaces.
- Authors (full names and surnames of all authors, without titles) should be written in lowercase, size 12 points.
- Address should be written in lowercase, italic, size 11 points. E-mail should be added to the full address only for the contact person (in bracket).
- Keywords should be written below the Abstract.
- Abstracts should not contain tables, graphs, drawings, etc.

An example of an abstract can be found at the symposium's web page. Abstract not written according to the technical instruction will be returned to the authors.

Abstracts should be submitted in electronic form as attached files to the e-mail address: **sa@agr.hr** not later than by **October 29, 2018**.

File name should include the section code and the author's surname (e.g. ikovacevic).

Instructions for preparation of papers

Papers for the Symposium may be written in English or in Croatian. To enable a broader selection of referees, authors are encouraged to submit papers in English.

Authors are kindly asked to observe the following technical instructions:

- **Paper length**, including text, tables, graphs, figures and abstract should not exceed 5 pages. Plenary lectures should not be longer than 10 pages.
- **Margins** 3.0 cm left, 2.5 cm top, bottom and right. Authors are advised to make the maximum of the offered 5 pages, which will contribute to the quality of the paper and the Proceedings. Single spacing and justified alignment. Left alignment should be applied for the title, list of authors and subtitles. Use hanging indent (0.5 cm) for the list of references. Pages are not numbered.
- **Texts** should be written in Microsoft Word for Windows, version 6.0 or higher, font Times New Roman, size 12 points. Titles should be written in bold lowercase letters, font size 14 points. Authors (full names and surnames) size 12 points, addresses size 11 points italic. Subtitles lowercase, bold, size 12 points. Use solely empty lines for line spacing (size 12 points): before subtitles, between the title and the list of authors, between authors' names and addresses, before table titles and after tables. Start of a section/paragraph in text should not be indented by the tabulator; paragraphs should be separated using the enter key.
- **Papers should contain** the title, list of authors (in one line), authors' addresses (1 line for each address), abstract, keywords, introduction, material and methods, results and discussion, conclusions and references. Papers of Croatian authors written in English should contain the title, abstract and keywords in Croatian.
- **Full names and surnames of authors** are written without titles. If all authors are not from the same institution, this should be marked by superscripts. Only for the contact person, E-mail should be added to the full address. As the Symposium has an international character, names of countries should be added to the addresses.
- **Abstracts** contain the aim of the paper, essential research results and a brief conclusion. The authors are advised to make their abstracts short (700 characters, including spaces). Not more than five keywords should be given, separated by commas.
- **Tables** (table width from the left to the right margin), graphs and photographs (black and white, with high resolution) must be incorporated into text. Numbers and titles of tables should be written above the tables. Table contents should be separated by a minimum set of horizontal lines (0.5 points). Illustrations and graphs are also numbered, with the numbers written below graphs. For reliable printing, graphs and illustrations should be submitted in one of the graphical or image formats (*.xls, *.tif or *.jpg), solely in black and white rendition.
- **References** should contain only used literature, in alphabetical order.
- Journal articles should be cited as shown in the following example: Smith A. (2005). Title. Full name of the journal. Volume (No.): pages

Papers will be **reviewed by two referees** from relevant fields. An example of papers can be found at the symposium's web page. Papers not written according to the technical instruction will be returned to the authors.

Designation and submission of papers

Papers should be submitted in electronic form as attached files to the e-mail address: sa@agr.hr not later than by October 29, 2018. Authors are asked to specify file name with the section code adding the surname of the first author (e.g. ikovacevic). If an author submits more than one paper, a number is added to the surname (ikovacevic1, ikovacevic2).

Please prepare your papers according to the instructions, and submit them before the deadline so that they can be included in the program and Proceedings of the Symposium.

Papers with a positive review will be published in the Book of Abstracts or in the Proceedings if the registration fee is paid (per paper) by January 15, 2019.

We thank all authors for their cooperation.
