Invitation

You are invited to participate in the International Summit on Renewable Energy (INSORE2023) and the 58th Croatian & 18th International Symposium on Agriculture, with oral communication, poster presentation, presentation of your institution/company or as a participant. As an established event organized by University of Zagreb Faculty of Agriculture and Josip Juraj Strossmayer University Faculty of Agrobiotechnical Sciences Osijek, Croatia, the main goal of the Symposium is to present the scientific results of Croatian and international researchers and in this way to enable a better transfer of scientific achievements into agricultural production. In 2023, the event will be enriched with the Summit, organized by the University of Zagreb Faculty of Agriculture, Croatia, and North East Renewable Energy Research Lab, India, which will precede the Symposium. The main goal of the Summit is to present and discuss possible solutions for the implementation of climate-friendly innovations, technologies and agronomical practices.
