58th Croatian & 18th International Symposium on Agriculture
(SA2023)

11 – 17 February 2023 | Dubrovnik | Croatia

Invitation

You are invited to participate in the International Summit on Renewable Energy (INSORE2023) and the 58th Croatian & 18th International Symposium on Agriculture, with oral communication, poster presentation, presentation of your institution/company or as a participant. As an established event organized by University of Zagreb Faculty of Agriculture and Josip Juraj Strossmayer University Faculty of Agrobiotechnical Sciences Osijek, Croatia, the main goal of the Symposium is to present the scientific results of Croatian and international researchers and in this way to enable a better transfer of scientific achievements into agricultural production. In 2023, the event will be enriched with the Summit, organized by the University of Zagreb Faculty of Agriculture, Croatia, and North East Renewable Energy Research Lab, India, which will precede the Symposium. The main goal of the Summit is to present and discuss possible solutions for the implementation of climate-friendly innovations, technologies and agronomical practices.

In addition to the plenary lectures, the Summit and Symposium are organized in the following sections (themes):

Sections INSORE2023

- 1.1. Climate-friendly Innovations and Technologies
- 2.1. Agriculture and Climate Change

Sections SA2023

- 1. Agroecology, Organic Agriculture and Environment Protection
- 2. Agricultural Economics and Rural Development
- 3. Genetics and Plant Breeding
- 4. Biodiversity Conservation
- 5. Plant Production:
 - 5.1. Vegetable Growing, Ornamental, Medicinal and Aromatic Plants
 - 5.2. Viticulture, Enology and Pomology
 - 5.3. Crop Production
- 6. Fisheries, Wildlife Management and Apiculture
- 7. Animal Science
- 8. Food, Feed and Quality
- 9. Precision Farming and Sustainable Bio-based Production
- 10. Plant Protection

Papers not directly covered by the listed sections and addressed to agriculture will be assigned to the most related theme depending on the paper topic. New sections will be formed depending on the topics of the papers submitted, provided at least twenty papers are submitted. Poster presentations will be organized within each section.
